

EXPRESSION OF INTEREST VETERAN CAR DISPLAY AT WINTON, MAY 2018

The Veteran Car Club of Australia (Vic) Inc has been invited to participate in the 42nd Historic Winton annual event. Held at the Winton Raceway close to Benalla 26th - 27th May 2018 the event starts with the RACV district tour of the region and Benalla on the Friday on the 25th May, for those who want to enjoy seeing the region.

The weekend event is becoming a vintage festival of all things motor and retro, with a variety of heritage displays, including steam engines, historical racing cars. Participants drive in their classical or vintage cars and these are parked in dedicated display areas. Last year there were over 2,500 of those cars on display.

There is racing over the entire weekend for historic and classic cars and motorcycles from the early 1900s to 1980s in a number of classes. Usually, each year, around 450 vehicles compete.

For the 2018 Historic Winton event, the Historic Winton Committee

would like to partner with the Veteran Car Club and invite members to put on a display over the weekend in the Hospitality Pavilion.

Ideally, a display of around 12 to 15 smaller to medium veteran cars would look great in the pavilion, (the width of the doorway is 178cm). If there are more cars that could be displayed in the pavillion or large cars for display, the Historic Winton Committee would like also to invite these vehicles, which can be easily accommodated in another building not too far from the pavilion. Participants are required to assist with a roster during the weekend to ensure there is always 2 people available in order to answer questions and oversee the display.

In terms of accommodation, there are numerous motels, B&B's, Air B&B's in Benalla, Wangaratta and the district and there is a camping ground attached to the Winton Racetrack with upgraded toilet facilities.

Register your interest by detaching and posting the Expression of Interest form below by 30th September 2017.
