

TAVCCA VEHICLE INDEX 2020

| MAKE | YEAR | MODEL | OWNER | STATE | MAKE | YEAR | MODEL | OWNER | STATE |
|------|------|-------|-------|-------|------|------|-------|-------|-------|
|------|------|-------|-------|-------|------|------|-------|-------|-------|

This index of vehicles has been compiled using data from the TAVCCA 2020 Membership Directory. For privacy reasons, personal information has been omitted but owners' contact details can be referenced via the Membership Directory.

Vehicle descriptions have been collected from data provided by the eight TAVCCA Member clubs. Because each club has its own convention of make/model descriptors, the syntax of data has been "merged" to provide logical sorting of models. E.g. Ford Model T, Model T Ford or Ford T is now sorted as Ford - Model T. If the make/model description of your vehicle is incorrect, please contact your club registrar to correct future inaccuracies.

We encourage the use of this resource to facilitate communication and sharing between members.
